

EV Rates 93 and 94 • Customer Request Form

Account: _____

Address: _____

Confirm Eligibility:

- ☐ Rate 10 or Rate 20 master meter (non-demand service)
- ☐ Electric vehicle with at least 16 kilowatt-hours of battery storage
- VIN: _____

Will you use your own charging station or rent charging equipment from AEL&P?

- ☐ Own (go to the Rate 93 only section)
- ☐ Rent (go to the Rate 94 section)

Rate 93 only participants need to confirm the following two items:

- ☐ Meter base and charging station are installed and inspected by CBJ
- ☐ Meter is installed per AEL&P meter standards

Rate 94 participants need to confirm the following two items:

- ☐ Charging circuit with a 240V, NEMA 14-50 receptacle
- ☐ EVSE to be mounted by customer
(use supplied mounting points – no modifications permitted)
