e-Billing Authorization Form

As an ***e-billing customer,*** you will no longer receive a paper bill in the mail. Instead, you will receive a monthly ***electronic billing notification by e-mail.*** This e-mail notification will provide you with a link to view your bill on AEL&P's secure website. For first-time users, a customer will register to receive a log-in I.D. and password. Thereafter, the customer is able to view their bill each time they log in.

Please ensure your e-mail information is correct. If for any reason the electronic notification is undeliverable, AEL&P will attempt to contact the customer by phone. If unsuccessful, a letter will be mailed. If a correct e-mail address is not provided prior to the next billing cycle, traditional paper billing will resume.
